

# FREE BACKYARD COMPOSTING WORKSHOPS

Sponsored by the Black Hawk Co. Solid Waste Mgmt. Commission

Workshops will take place at:

**Hartman Reserve Nature Center, Cedar Falls**

JOIN US... Thursday, Sept. 9th  
or Thursday, Sept. 30th

**7:00 PM**

At the free workshop participants will learn which kitchen and household items can (and cannot) be composted, how to achieve the optimal nitrogen to carbon ratio, and troubleshooting tips for when your backyard compost bin misbehaves.

The workshops are free, but registration is required so adequate supplies can be prepared. **Those who attend the Sept. 9th workshop will be able to enter a drawing for a free compost bin!**

Register for a free workshop online at...
